

Residential ESS tender price in Finland 2025

What is the outlook for Finland's residential property market in 2025?

The outlook for Finland's residential property market is cautiously optimistic. KVKL projects a 6-9% increase in the number of transactions in 2025. Veera Holappa, Senior Economist at the PTT attributes this anticipated recovery to improving macroeconomic conditions and monetary policy.

Will Finnish housing prices increase in 2025?

The Finnish Real Estate Association (SKVL) supports this view, anticipating the prices for second-hand apartments to increase marginally by 1-3% throughout 2025. Since the early 2000s, Finnish first-time home buyers have largely experienced a steady increase in housing prices, with only occasional short-lived declines.

Why did the Finnish real estate market rebound in 2025?

The rebound in growth in 2025 is supported by two key factors, cyclical industry recovery and infrastructure investment, especially in the artificial intelligence led data centre investment. The Finnish real estate investment market bottomed out in 2024, with total investment reaching EUR2.46 billion, up 8% year-over-year.

What is the interest rate in Finland in 2025?

Interest rates: In January 2025 the average interest rate was 1.13%. Tax benefits: In 2025 the deductible part of home-loan interest payments is 5%. If you rent an apartment in Finland, you will be asked to buy home insurance.

How much do utilities cost in Finland?

The average residential monthly electric bill is US\$42 - 68 | EUR40 - 65 per month for a 40m² apartment (2-person household). The average residential monthly water bill is US\$20.8 | EUR20 per person per month.

How many residential property transactions are recorded in Finland?

According to data from the Federation of Finnish Real Estate Agencies (KVKL), a total of 52,404 residential property transactions were recorded nationwide, reflecting a marginal year-on-year increase of 0.98%. At the same time, the figure remained 26.01% below the five-year average of 2019-2023.
