

State Grid Repair Weibo Account

Is Weibo open for foreigners?

Weibo used to be open for foreigners to use, just like WeChat or TikTok, but recently I've seen quite a few reports of Americans being locked out of their accounts. I'm not sure there's much you can do.

Will a power limit collapse a regional power grid?

The State Grid was cited by the Beijing News on Sunday as saying that the power limit was first exercised on non-residential usage, but there were still gaps that may cause the collapse of the regional power grid, adding to the residential power shortage. It said the recovery of residential power would be a priority.

Why am I not able to post on Weibo?

It really depends on the current political events too. Sometimes even foreigners with local numbers are blocked from posting on Weibo sometimes like during the Tianamen square anniversary. I also try to log in sometimes and it just constantly tells me that the Captcha is wrong even though it is correct.

Needed Chinese friends to register for me, though I have a Chinese phone number. But I wouldn't recommend using your Chinese contacts to register an official account for you. To do it right most likely involves a lot of paperwork and you won't have any control over your account and you have to rely on your Chinese partner's good will.
